# Colors and Varieties in ProTrac Order Entry

Speeds up Order Entry and Picking

**500 Carnations Fancy** has just been sold and this drop down makes it easy and fast for the color / and or Variety to be located. This same process is used for either an Order or a Quote.

Variety Code	Description	Qty Ord

If the customer has a unique color request the SR can add a color at this time

F5/Srch Add Save Cancel

Enter quantity, F2=save, ESC=Cancel

These are all of the colors that have been keyed for the Carnations Fancy

Each time a new stem or plant is keyed the Variety Selection that is set up for that product will drop down.

This makes entering orders and picking orders faster. **Everyone is using the same color or variety on their sales order – This makes it easier for your pickers to get product out in the morning.**

Picked By: Mel

All of the stems are separated with space and the list of colors/varieties is just that, a list that is easy to discern from the color when you are picking stems as fast as is possible.

This Invoice was printed as soon as the pick ticket was returned to accounting.  
 This same form can be emailed as a reprint - with or w/o a statement.
